The Forgiveness Project

1. Who is your story about?
2. Describe the event that occurred to change this person's life (or these people's lives) in as much detail as possible (in your own words).
3. What was the result of the event? What was the impact?
4. How has this person (or how have these people) dealt with the after-effects?
5. How do they view forgiveness?
6. What conclusions do you draw from the story about the nature of forgiveness?

Prepare for your presentation. Divide up the presentation so that everyone has a chance to speak.
8. NOTES: Jot down at least four questions or observations you have about other stories.
9. What story stands out to you the most and why?
10. How do these stories, as a whole, make you think about forgiveness?
